

We help process owners to **connect processes** with the **right people, instructions, systems and bots** for fewer errors and more improvements.

This block contains several overlapping screenshots of the Gluu interface. On the left is a mobile app showing a task list for 'fej ved element 3:6' with details like '21 Apr 2023, 09:00' and 'Varighed less than an hour'. In the center is a desktop dashboard with a flowchart showing decision points like 'Enkelt fejl eller mange fejl?' and 'Leverandørs fejl?'. On the right is a task list with items like 'Udarbejd plan for forebyggende handling' and a 'Kommentarer' section. Below the task list is a report card for 'Håndtør komponent afvigelse' with a progress bar showing 71% completion and a table of task status.
