Get your core team familiar with Gluu...

After this training, learning and implementation process, your core team knows how to create consistent, transparent, and interactive business processes with work instructions – using Gluu as the platform.

CORETEAM GETS

- Training and assistance in setting up your process hierarchy.
- Your own best-practice process example with a visual work instruction.
- Ongoing advisory.

PROCESSOWNERS GET

- A trained and self-sustained process team that is ready to deploy at scale.
- Standardized processes.
- Optional deployment plan.

They are highly skilled and helpful.

Quote from workshop evaluation.

INCLUDED
